"And the seasons, they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look
Behind from where we came
And go round and round and round
In the circle game."

"Photographs and Memories...
All that I have are these
To remember you...
But we sure had a good time
When we started way back when...
Photographs and Memories...
Somehow it just can't be true
That's all I've left of you.
But we sure had a good time..."

Scattered pictures
of the smiles we left behind,
Smiles we gave to one another
for the way we were.
Can it be that it was all so simple then,
or has time re-written every line?
If we had the chance to do it all again.
tell me, would we? could we?
Mem'ries may be beautiful, and yet,
what's to painful to remember
we simply choose to forget.
So it's the laughter we will remember
whenever we remember the way we were;
The way we were.

PEOPLE

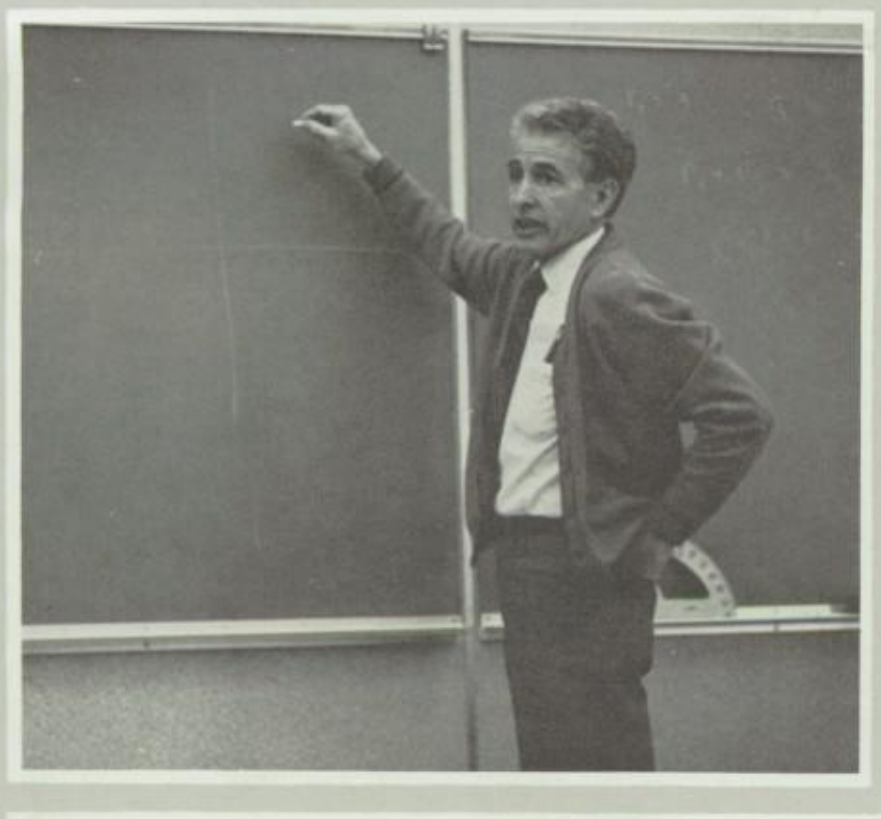
A DEDICATION TO

Have you ever wondered who runs the concession stand at the football games? Who stays 'til two or three in the morning to clean up afterwards? Well, if you don't know, it's EUGENE VERKUYL. Mr. Verkuyl teaches Ag. Science, Animal Science and Biology during school and afterwards is advisor to FFA. His trust in students and his willingness to give his time are two of his outstanding qualities. For this, Mr. Verkuyl, you are one of our unsung heroes of 1977.

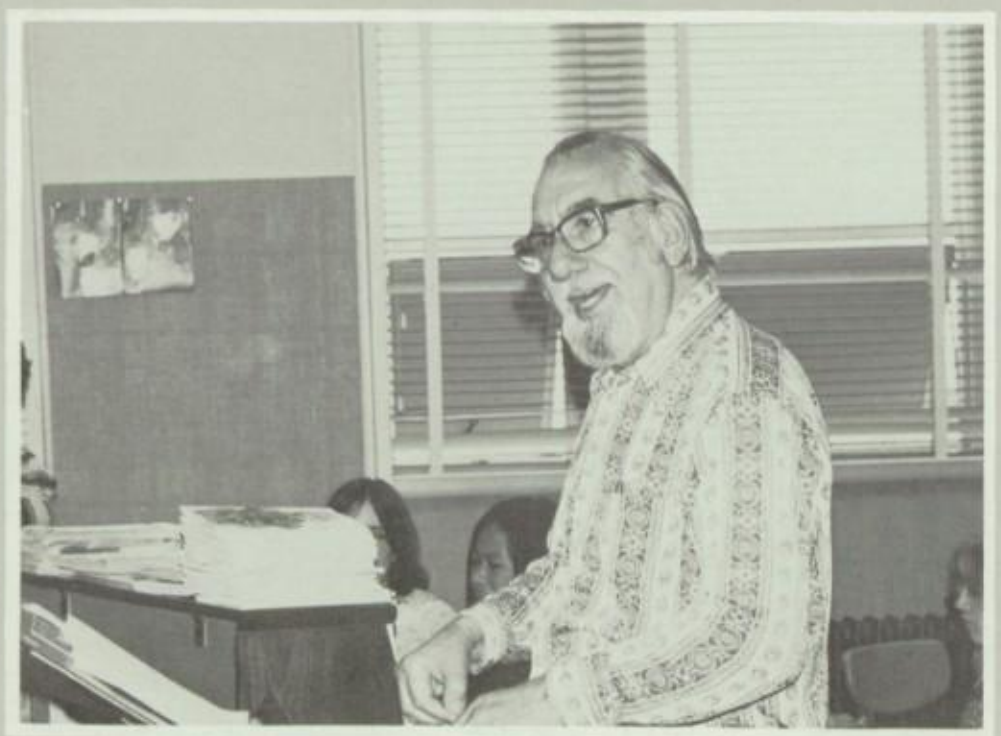
Nothing can outdo all the help and time that the PTA VOLUNTEERS give to LGHS. If it wasn't for these hard-working ladies our school would not have the period by period attendance that we are so dependent on. It is the wish of the Class of '77 and the Wildcat Staff that these people be recognized. We thank you!
LEFT TO RIGHT, FIRST ROW: Sue Bush, Angela Ernstrum, Jean Becker, SECOND ROW: Jane Robertson, co-chairman, Harriet Balcomb, June Schmid, Margie St. George, THIRD ROW: Loretta Panaghetti, Doris Sanford, Janice Bayer, Doris Thibault, Carol Lippi, Angela Pappanastos. MISSING: Sandy Kuehn, co-chairman, Donna Brady, Louise Pinschmidt, Ellie Skurla, Laura Rodriguez, Bobbie Slutman, Emogene Boyle, Jean Brennan.

English-born MOLLY ROSE THOMPSON started as a PTA volunteer five years ago, working in the Study Center two hours per day. Then in 1973 she began working full time in the Career Center. Her past experience as a PTA president and a fully credentialed Biology teacher is proof of her lifetime dedication to all students. Idolized by students and teachers alike, Molly spends all of her time helping those with career problems and questions. Your kindness and services are greatly appreciatied and admired.

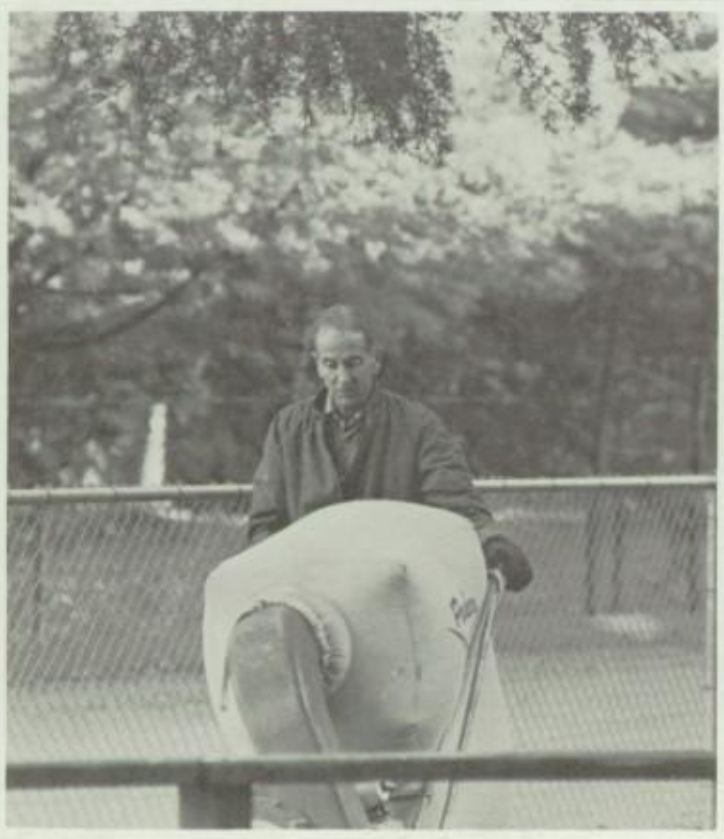
OUR UNSUNG HEROES



PAUL BOWERS has taught Math at this school since 1960. Mr. Bowers often shows his school spirit by participating in rallies and in the Sadie Hawkins Dance. In past years he has given his free time to teach advanced math students, and has served as a basketball coach. He is always available to those students who need his help, either before school, after school or during lunch. For these qualities, we would like to thank you, Mr. Bowers!



ORRIN BLATTNER, known throughout the state as an outstanding orchestra conductor, has taught at Los Gatos High School for 33 years. As choir director he has led many fantastic performances. Recently he has started a class in music theory. The Class of '77 would like to thank you, Mr. Blattner, for all the years you have devoted to us.



LOREN WATKINS, our utility custodian for 11 years, enjoys working around kids. While Loren's job is to fix the unfixable, he is more than willing to help anyone, whether it is a fellow custodian, a faculty member, or a student. We thank you, Loren, for the energy and dedication that you devote to your job.

"You give but little when you give

It is when you give of yourself
that you truly give . . .

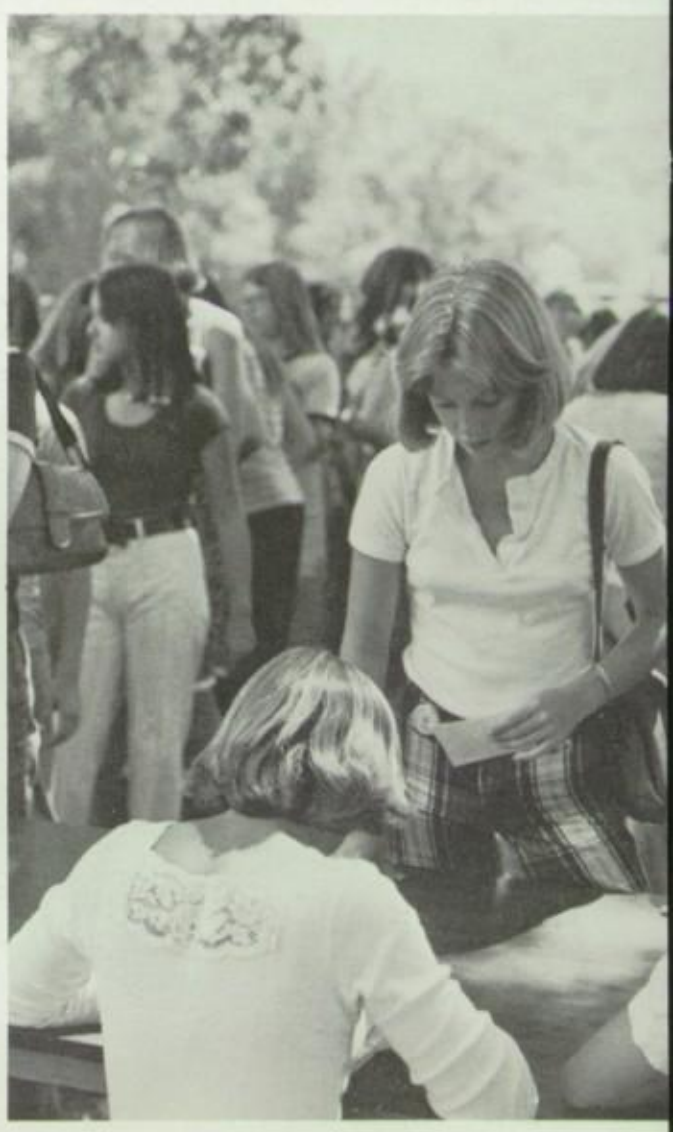
FRESHMEN ORIENTATION

Two days before the official day of school, the halls were filled with wandering, bewildered freshmen. The day began with a brief orientation meeting conducted by the administration. Then it was off to pick up class schedules and locker combinations. After all of the commotion, the rookies were awe-stricken and were promptly served refreshments by the "big sisters" of the Girl's League.



KICK-OFF DANCE

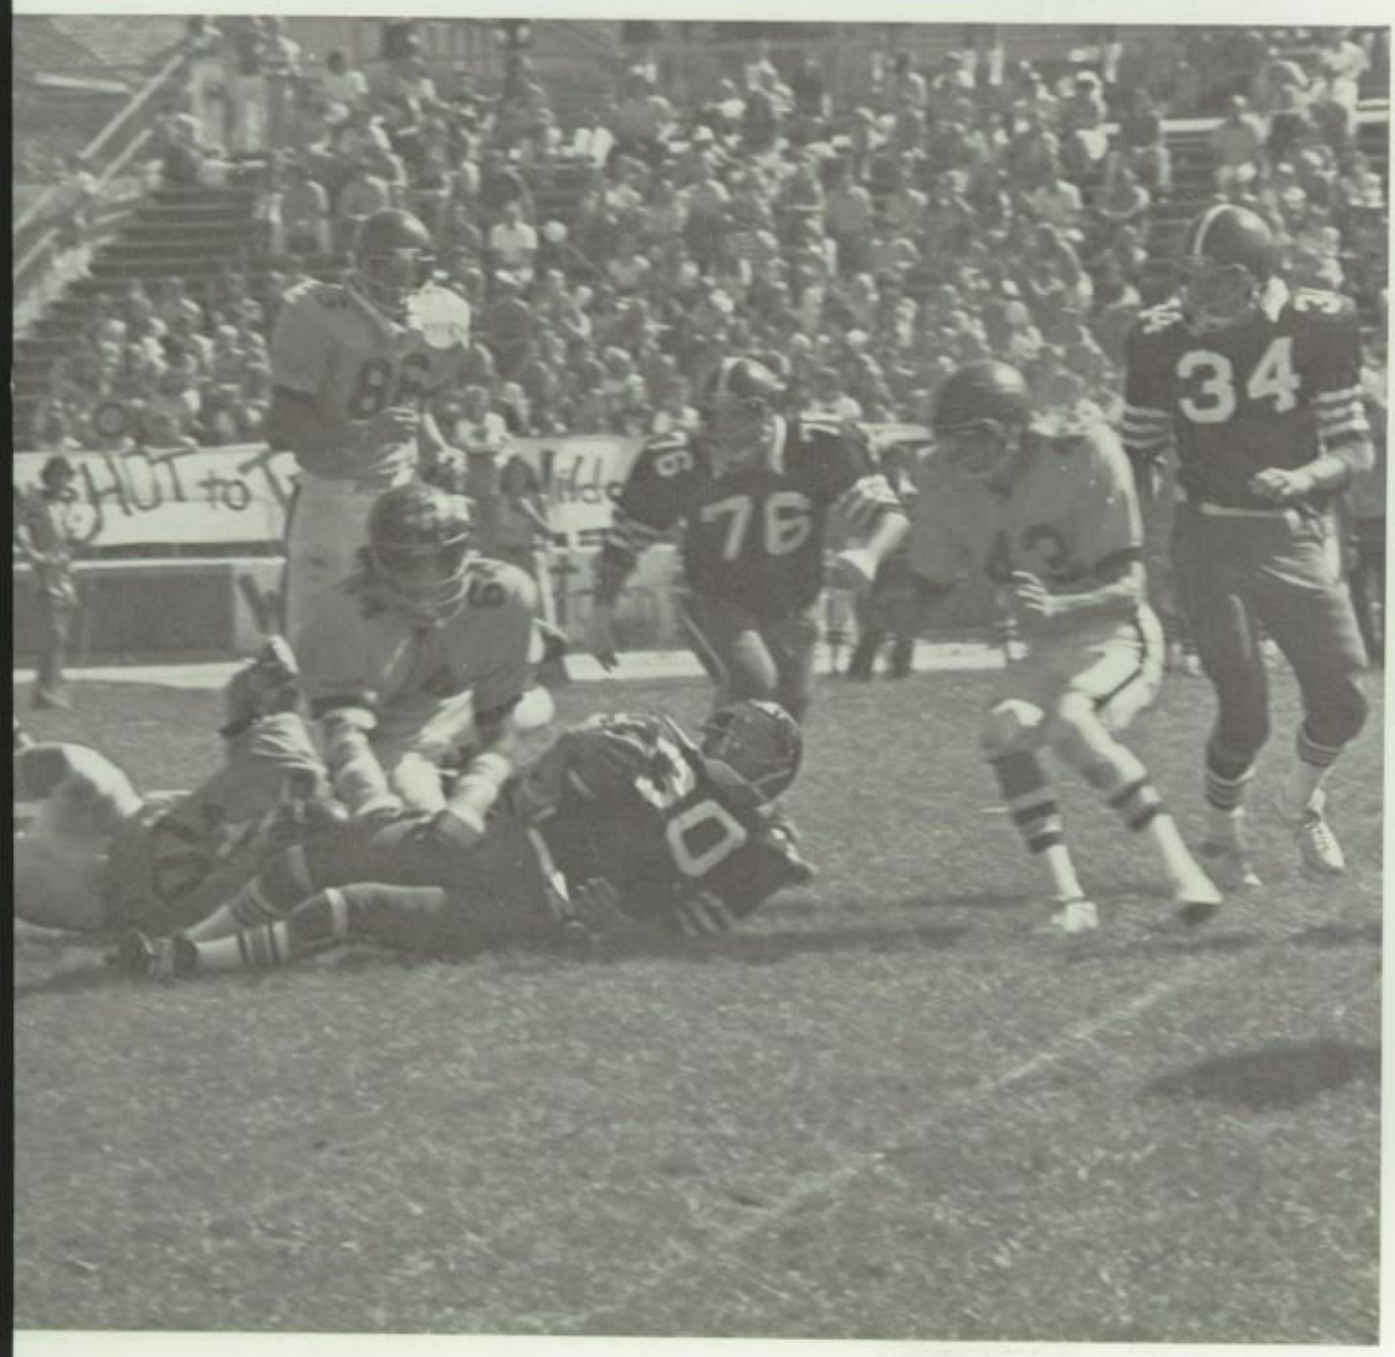
The first dance of the year turned out to be one of the most successful dances ever held at Los Gatos High. Over half of the student body danced to the tunes of the band Ivory Tower. The Spirit Squad entertained during the intermission.

BACK TO SCHOOL NIGHT

In addition to Freshmen Orientation, the parents had a chance to experience the commotion that the freshmen went through, during Back to School Night. A general meeting for all parents was held in the boys' gym, followed by some entertainment by the Pep Band and Spirit Squad. The parents followed the pre-made schedules that their kids provided and, with the help of student guides, became acquainted with the teachers and courses.

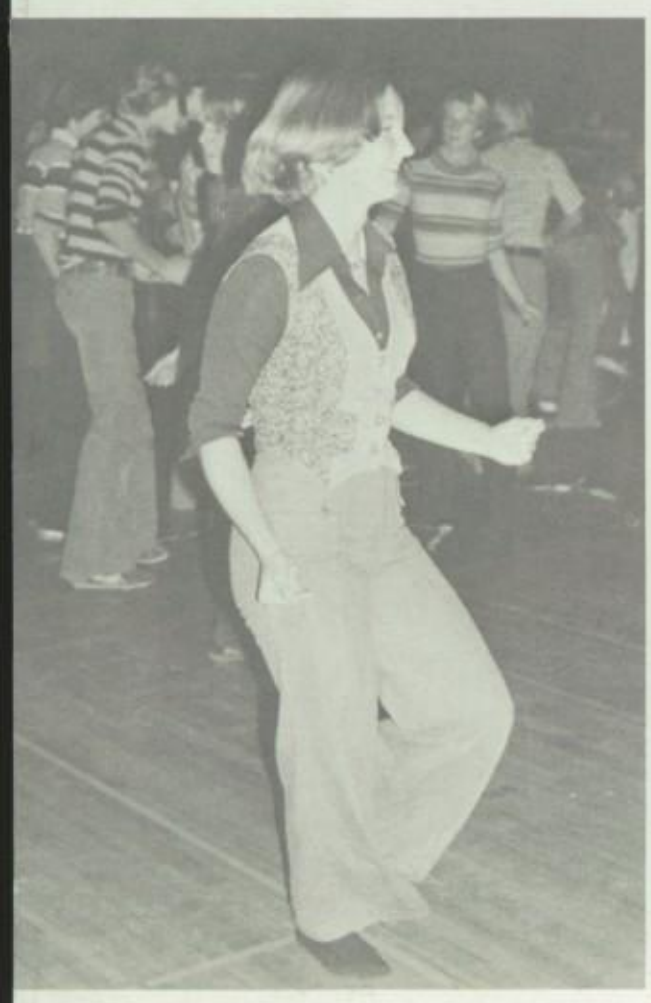
FOOTBALL JAMBOREE

A powder puff football game; score: girls-20, guys-18? Mr. Crawford, a cheerleader? The high-light of this year's football jamboree was the all school rally. The jamboree, an annual event, is a pre-season competition between all the football teams in the WVAL. Los Gatos made a fair showing, placing 4th. However, we walked away with the spirit trophy. Our school showed the most enthusiasm. Rah! Rah!



HUSH

One of the most successful dances held at L.G.H.S. was the Dance Concert featuring Hush. This student body sponsored event, held on October 15, was enjoyed by all students that attended. Many comments were heard about the quality of the music and the light show.



WHITE FIRE

Key Club sponsored a fun-filled, exciting Dance Concert and the turnout was overwhelming. The band that provided the music was White Fire, a fairly well-known local group who resembles the English group KISS, as far as the use of fire during their act is concerned. Their music is basic Rock-n-Roll, playing the usual hit songs, but they definitely have a distinct sound of their own. The profits from this dance went toward scholarships.

SPIRIT DAYS

The Spirit Days were held the week before the big Turkey Day Game. They resulted in many exciting and fun-filled hours. Some of the events were whipped cream eating, egg toss, sleeping bag dressing, Big Wheel race, orange pass, tug of war, and Krazy Keyne Kensinger. Performing at many of the rallies were the Spirit Squad and the Pep Band. On the last day the campus was covered with banners and posters as a result of the decorating competition.

The final results in the class competition were that the Seniors triumphantly clinched first place. Taking second place were the Sophomores. The Freshmen grabbed the third place, and last were the Juniors.

the diary of Anne Frank

The story of an adolescent growing up in war-torn Germany was the subject of this year's fall play. Outstanding ability was demonstrated by all of the actors, making it a memorable performance.

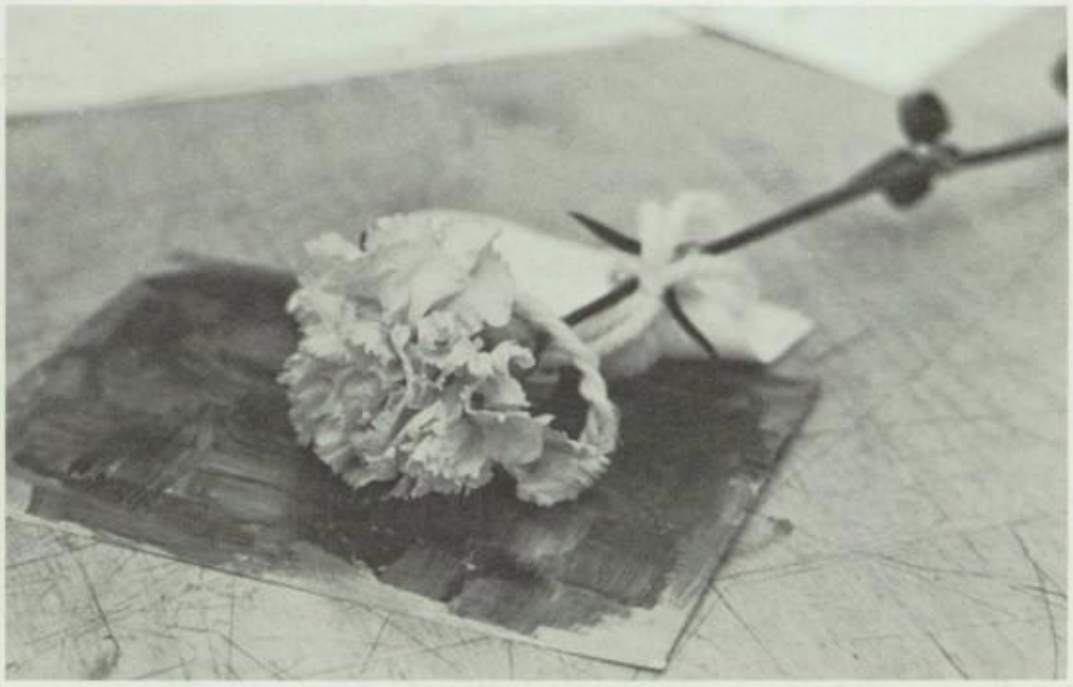
PTA CHRISTMAS PROGRAM

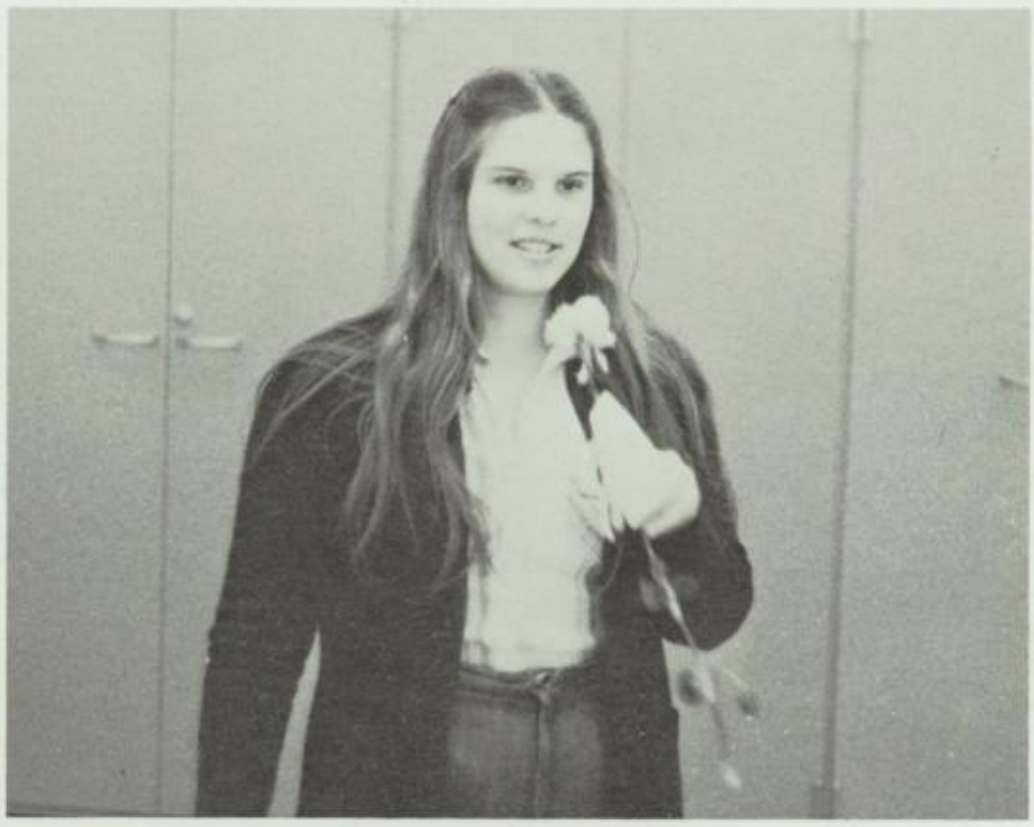
Performing in the annual Yuletide Festival were the Los Gatos High School orchestra and choir. Orrin Blattner conducted orchestra selections ranging from J.S. Bach and Strauss to Bernstein and Carmichael. Gemma Altman, a student teacher from San Jose State University, directed the choir in several pieces. The choir sang "Jubilate Deo" by Britten and "Tuxedo Junction" by Erskine Hawkins.

YULETIDE FESTIVITIES

Christmas '76 was an extremely busy time at LGHS. Candy Canes were sold and delivered the day before vacation by Girls' League. The band participated in the annual Los Gatos parade, showing off their exceptional talent while marching through the heart of the town. Also entered in the parade was "The Grinch Who Stole Christmas," a float built by the sophomore class which also won a second place trophy. Other busy activities were the collection of canned foods for the needy and toys for tots. The student body's generosity was seen when the Marines came to pick up the more than 600 gifts at the X-mas dance.

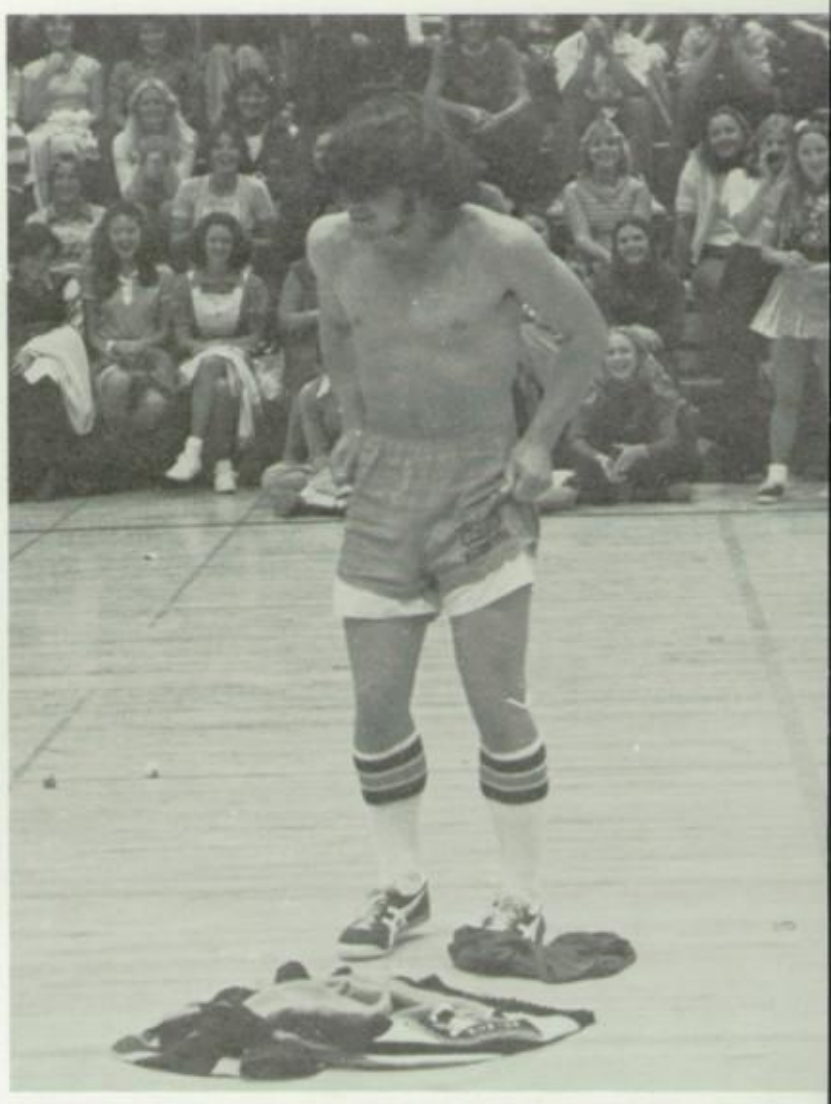
CARNATION SALES





The Senior Class's carnation sales were overwhelmingly successful. The many hours of hard work by the Senior Class officers paid off on Valentine's Day when over 1500 flowers were delivered. The money raised went to the Senior Class graduation fund.

RALLIES '77



Though few in number, this year's rallies had a good turnout. Many students, full of spirit and enthusiasm, came to cheer their classes on.

STAIRWAY TO HEAVEN

The girls' gym, transformed into a beautifully decorated ballroom, was the scene of the Junior-Senior Prom. Returning to perform for the second time this year was the popular band Ivory Tower. The theme of the Junior Class sponsored event was "Stairway to Heaven."

MILLER CUP

The Miller Cup is the oldest speech contest at Los Gatos. The Miller Cup is given in honor of Edwin C. Miller, a former student. Olivia De Havilland was the first winner, and the most recent was Susan Tobias. Other participants were Sierra De Peña, Sarah Clish, Linda Dodge, and Kirk Druey. This contest is limited to sophomores and to speeches in the persuasive and expository categories. Judges for the finals were Mrs. Reese, Mrs. Raynaud, and Mr. Smart.

The Spring Musical this year had to be one of the best musicals ever presented at this school by the students. All the parts, especially those portrayed by Jim Reiger, Anne Fallon, Karen Reed and Andy Ferrara, were excellent. The musical numbers were professionally done, and all members of this production should be congratulated.

The play told the story of Conrad Birdie, a teenage singing idol, who is going off to join the army. The plot centers on the attempts to have him leave in grand style, leaving a hit song behind for all his fans to enjoy. Andy Ferrara's portrayal of Conrad Birdie was very convincing, and in true Elvis style.

This year our Varsity Football Team had a frustrating season with a 4-6 season record and a league record of 4-4. The discouraging season was due to the fact that the games were lost in the last quarter with only a few minutes left. The defense, however, had an outstanding year as Gabe Salazar, Rick Guardiola, and John Breidenthal all made First Team All-League. John Magee and Randy Murray made Second Team All-League. First team offense was Stan Weir and John Breidenthal; second team Bill James.

JUNIOR VARSITY FOOTBALL

This year our team had a successful season with a 9-1 season record, and they took first in the league. The Offense, nicknamed the "Steamroller Express", played the major role led by Jeff Petulla's season rushing yardage of 1600 yards. They had a fine season with such good players as Ron Dailey, Matt Snyder, Jeff McKenzie, and Don Childers. Some defensive standouts were Greg Kolte, Troy Brookman, and Dave Quensenberry.

Ggolf

Our Los Gatos Golf team had an excellent year. At the beginning of the season their coach, Mr. Haggard, felt this group had a good chance of winning the League Championship for the fourth consecutive year. They also had hopes of going to the CCS regionals. The captain of the team is Noel Sherry, who has been on our team for four years and is the only senior in the first six. Other returning players are Ed Jessup, Ken Olivet, Ron Schivo, Kirk Mueller, and Vince Baxter, each with three years of team experience. One excellent example of the high caliber of our players is Vince Baxter, who competed in the spring CCS tournament and placed second out of approximately 200 golfers. A promising future lays ahead for next year's team with sophomore Steve Wall and freshman Chris Humphrey.

LEFT TO RIGHT: Steve Wall, Lonnie Patterson, Chris Humphrey, Kirk Mueller, Noel Sherry (captain), Vince Baxter, Ed Jessup, Ken Olivet, Ron Schivo, Paul Smith.

There were many outstanding players including Clark Rosen, Greg Stakich, John Albrecht, Brad Anawalt, Steve Doughty, and Peter Acronico, who has been an invaluable player on the team for the last four years. According to Coach Matthews, "Returnees for next year's team should make the team one of the best in the area."

Because the team was composed mainly of young learning members, their hard work this year should ensure a successful season next year.

"Welcome to the club"

STUDENT BODY OFFICERS

Good morning stewdents. At the beginning of this year Lisa, Jim, Mary, Tim, Wendy and myself began building the foundation of what we hoped would be a relaxed fun-filled year. I am happy to say that we attained our goal. The reason this year was fun was the way that you, the student body, supported and participated in this year's activities throughout the year. We had the complete support of the faculty, administration and were given a great deal of responsibility and freedom to pursue what we wanted.

Thank you for a fantastic year and for making our jobs so easy.

INTERNATIONAL CLUB

The main purpose of the International Club is to make all the foreign students at Los Gatos High feel at home and to buy their student body cards and yearbooks. This club is always one of the busiest clubs each year. It continually searches for new ways to make money to pay for the student body cards, yearbooks, and give any aid to American students who are going abroad through an exchange program. The International Club's biggest event of the year is the International Talk-In. This is when all the foreign students visiting the area come and talk in small groups with the local native students.

The zany Pep Band, performing at all away games and home J.V. games, has certainly been an incredible, indescribable group this year. Led by Josh Searle and Heidi Paris, this unique bunch is best known for their popular rendition of "On Los Gatos." Another very recognizable factor is their clothing: old band uniforms, unusual headgear and sunglasses. Their spirit is unsurpassed!

You whose comradship I enjoyed,
at whose side I walked,
indeed your friendship was beautiful to me.

Ken Hooker

Living forever in the hearts of those who knew him
Dancing, laughing, talking, shooting,
Making our lives more enjoyable.
Making us laugh and brightening the world.

Josh Searle

IN MEMORY OF
Doug Fultz
1961-1976

IN MEMORY OF
Greg Chavez
1958-1976

Whose presence will always be with us.
You are alive in all of us, your smile brought us joy,
your laughter brought us life.
You gave us strength when we couldn't find it in ourselves.
You are in our hearts, you are in our dreams,
you will always be with us.
You helped us face reality and become what we are.
YOU ARE THE BEST,
Love

Greg was the greatest friend a person could ever have, and without him I feel as though a part of my life is missing; and there is!

Every day I sit and recall the times we had together. I can still hear Greg's laughter in the breeze, and the sense of his presence has not left my side.

All those who knew Greg loved him and always will. I am sure all those who knew and loved Greg will carry the memory of him with them; his big and easy smile, compassion, concern and loyalty he had for his friends.

Because we were such close friends I believe I can speak for him now and send his eternal love to all of his friends.

Mark Goetz

A true friend you were
and always will be.
You've left us with memories,
of good times we had,
to treasure forever,
and make us feel glad.
You gave each of us happiness,
and our happiness was yours.
We love you very much, and
we hope to see you again.
In the place where we dreamed about
your place and ours,
where the eagle flies high,
the mountains surround,
and time is just another passing word
from all who cared and loved,
Jane Kenyan
